A WARM WELCOME TO BARRY TOWN UNITED

Today we welcome the players, management, committee members and supporters of newly promoted Barry Town United to Jubilee Way for this Welsh League Division 2 fixture. Barry Town United finish last season as champions of Division 3, two points above last Saturdays visitors Llanwern AFC. Last season Barry Town United record in Welsh League Division 3 was: played 36, won 29, drew 3, lost 4, scoring 116 goals and conceding 29. We are looking forward to a good competitive game played in a good spirit. Regardless of the result though, a warm welcome will be extended to all in the clubhouse after the game.

BARRY TOWN UNITED – A BRIEF HISTORY

Barry Town United is a supporter-owned community football club, with a dual purpose of continuing over a century of senior football in Barry at Jenner Park and giving the town's youth opportunities to progress. Senior football has been played in Barry since the late 1800s, where a host of teams using the Barry name battled for regional supremacy. In 1892, a club named Barry District was formed and began a decade of football under various names and at numerous grounds in the town. Notable players who featured during this time included Ted Vizard and Billy Jennings; both would play in the famous 'White Horse' FA Cup Final of 1923.

In November 1912, a meeting at the Windsor Hotel (still standing in Holton Road), saw townsfolk choose to pursue membership of the thriving Southern League, as Barry AFC. The populous of Barry also contributed significantly to the building of Jenner Park, with the first match on 6th September 1913 against Mid-Rhondda United. A crowd of over 4,000 saw the home team win 2-1 and the ensuing seasons would see the likes of Stoke, Coventry and Brentford visit the new ground. Unfortunately, it would not be long before the Great War interrupted competitive games; with Barry AFC captain Jim Wightman among many casualties of the conflict.

1920-21 proved to be a season of landmark success, as Barry AFC's "wonder team", led by keeper, manager and Secretary Bill Bowen, won the Southern League's Welsh Section; despite playing over 100 games in all competitions. It was hoped this success would lead to membership of the Football League, but Charlton Athletic and Aberdare Athletic were elected instead.

Barry AFC continued within the Southern League set-up. Among the players of this era were Johnny Gardner (500+ appearances), Dai Ward (300+goals) and Fred Whitlow (100+ goals). Meanwhile, Barry born, Ernie Carless combined football in Barry with a successful cricketing career with Glamorgan.

At the end of the decade, a crowd in excess of 6,000 at Upton Park saw Barry AFC beat Dagenham 1-0 to progress to the FA Cup 2nd Round, where they lost to Brighton & Hove Albion. Barry AFC would reach the 1st Round again in 1935-35, losing out to Northampton Town. The build- up to the game had been interrupted when a fire ravaged the grandstand.

Football took a back seat again in 1939, with the onset of the Second World War. During this period, Barry AFC's Chris Mason became a POW, but returned to Jenner Park after the war to resume his football career. After World War II, those that had played as Barry AFC became Barry Town AFC; with players such as Derek Tapscott, Stan Richards and Gwilym "Cannonball" Cain joining the cause.

In the 1949-50 season, Jenner Park became one of the first grounds in the country to introduce floodlights, with Newport, Swansea and Cardiff all visiting to showcase the facilities. Two seasons later, an all-Welsh showdown in the FA Cup 1st Round saw Barry Town outclassed by Newport County 4-0.

Nevertheless, the town's most celebrated footballing achievement was right around the corner.

In the late 1950s, a host of Scandinavians made their way to Jenner Park and dazzled the locals with their skills. Among their number were Finnish star Hannu Kankkonen and IFK Gothenburg legend Bengt 'Fölet' Berndtsson, a member of the Sweden squad that reached the 1958 World Cup Final.

Another FA Cup 1st Round appearance came in 1960-61, when Queen's Park Rangers visited Jenner Park. A crowd of over 7,000 almost witnessed an upset, but Laurie Sheffield's goal for the home side was cancelled out late on. QPR won replay comfortably days later. There was little success in the 1960s and 70s, but a host of personalities, including Ken Gully, Clive Ayres and brothers John and Dickie Batt are all remembered fondly at Jenner Park.

In May 1955, after a 1-1 draw at the Racecourse in Wrexham, Barry Town beat Chester City 4-3 at Ninian Park to lift the Welsh Cup for the first time. Former Chelsea midfielder Charlie Dyke scored the winner, with a dramatic late free kick.

In 1982, Barry Town would leave the Southern League, focusing on Welsh League competition and winning six Welsh League titles before the decade's end; thanks in no small part to the goals of Steve Williams and the grit of long-serving Ashley Griffiths and Bobby Smith. The biggest match in Barry all decade came on 17th November 1984, where 3,850 crammed into Jenner Park to watch Barry Town v Reading in the FA Cup 1st Round. Despite Ian Love's goal, an injury-time winner by Trevor Senior was enough to send the Royals through.

1989 saw a return to England, as Barry Town entered the Southern League's Midland Division. They would consistently finish in the top six. However, the creation of the League of Wales in 1992 prompted a decree that Barry Town would no longer be able to compete in the English pyramid from their Jenner Park base.

Barry Town chairman Neil O' Halloran orchestrated a way for his team to continue in England; playing as 'Barri' out of Worcester City's St. George's Lane. An original sign from the ground has recently been salvaged and brought to Barry. The exile though would last only one season; O' Halloran performed a u turn that saw Barry Town accepted into the Welsh League Division One for the 1993/94 campaign.

In 93/94, Barry Town won a domestic quadruple, earning promotion to the League of Wales and winning a famous Welsh Cup Final against Cardiff City at the National Stadium. The building of a brand new stand at Jenner Park followed a first League of Wales championship in 1996; thus enabling the ground to host three European matches that autumn.

In 1996 after winning their opening tie in Latvia, Barry Town beat Budapest Vasutas on penalties at a packed Jenner Park to progress to the 1st Round proper of the UEFA Cup. Their opponents were Aberdeen and classic battles at Pittodrie and Jenner Park ensued. Sadly, O' Halloran had passed away months prior.

In 2001, Barry Town won in Azerbaijan to set up a UEFA Champions League qualifier with FC Porto. After being trounced 8-0 in Portugal, Peter Nicholas' side won 3-1 at Jenner Park. However, this golden era would not last forever, and Barry Town were relegated from the League of Wales in 2004.

A most turbulent period would begin, and prospects for Barry Town looked bleak until the appointment of Gavin Chesterfield as manager in the summer of 2007. In 2012/13, after years of steady progress, Chesterfield's Barry Town team enjoyed Welsh Cup success once more; progressing to the semi-finals, losing 2-1 to eventual winners Prestatyn Town.

This resurgence was halted when the owner of Barry Town AFC Ltd. withdrew the team from the Welsh League less than a month later. However, the supporters, who had been operating the football team for several seasons, outlined their will to continue fielding a side in the Welsh League, with the same players and manager. In August 2013, the High Court granted them entry to Division Three of the Welsh League - ensuring that the colourful story of Barry senior football could continue, this time under the new name of Barry Town United.

In its 1st season in Division 3 the Club gained promotion to Division 2 scoring over 100 goals.

The club also operates the Vale of Glamorgan's Football Development Centre, as well as fielding sides at various levels, including Youth Division East.

Where can I get beer and food?

You definitely do not need to bring your flask and sandwiches for this away game! There is a cracking pub, called The Red Cow, within 5 minutes walking distance of the ground (2 minutes if you sprint – which I did at half time) where they sell a wide range of real ales. Directly opposite the Red Cow there is a great chippy (Llwydcoed Fish Bar). Also, given that both are owned by the same person (or they were last season), the bar staff let us eat our chips in the pub – Happy Days! Highlight of last season's trip, apart from the pub, food and result was watching a fellow supporter schmoozing up to a young woman sat in the pub, I reckon she was a third his age (wink) – you know who you are!

Volunteers Needed

Caldicot Town are always looking for volunteers to help out with match day preparation (e.g.: putting up nets to checking the playing area for rubbish and glass). We also need volunteers to help maintain the facilities (painting & general maintenance). So, if you feel you can help out in any way, please ask at the bar for a committee member for more information.

Supporters Bus

CTAFC supporters run a minibus to every Caldicot Town away game. We try to ensure that supporters pay no more than £5 for any away trip, whether it's just down the road at Undy or a longer trip to Tata Steel (the shorter trips help subsidise the longer ones). **BUT**, to enable us to continue to run the minibus we need as many supporters as possible to use the facility. If not then we will have to start charging more for the longer trips. Tony Stephens puts up a list of "regular" travellers a week before an away game (on the notice board in the club) so, if you are a regular traveller, but do not wish to use the minibus, **please can you cross your name off this list as soon as possible!** Anyone who is not a regular traveller, but would like to use the minibus can you please add your name to the list no later than 2 days before an away game. Thank You.

Welsh League Division 2: Caldicot Town 1 - 1 Llanwern

The 1st team opened their league account with a 1- 1 draw against newly promoted Llanwern at Jubilee Way yesterday. Mitchell Slape opened the scoring straight from kick off but that would be the end of the scoring for the Town. Llanwern then equalised in the first minute of the second half with Caldicot nearly pinching a winner at the end through Matt James from a corner.

Welsh League Reserve Division East: Treharris Athletic 4 - 3 Caldicot Town

The Reserves went down by the odd goal in 7 yesterday in their league opener. Next up for the Reserves is Lliswerry at home on Thursday evening.

CILYCOED OFF TO A WINNING START

Cilycoed kicked off their new season with a 5:3 home win in a friendly v STNPC Vets. Cilycoed Celts made a slow but bright start to their new season with a 5:3 home win against STNPC Vets. Cilycoed gave a first start to their multi-million pound summer signing, Pete Little. Litts who hasn't played for a season or two filled straight into the centre midfield slot alongside Mark Crook.

The Celts started with a new look attacking strike force of Paul Tanner and Derek Lovell who both were among the goals in the first period. The second half started at 2:2 and Cilycoed switched Ray Jeremiah up front and he quickly showed his potential this campaign with his swift passing and clean heading. Paul Tanner bagged another two in the second period to complete his hatrick and PJ Jones added another. Great displays from all the players including Derek Lovell who netted his first goal for the Celts.

GWENT SATURDAY ROUND-UP: 18 August 2014

from Terry Daley

THE picturesque surroundings of their new Pen-Y-Pound Stadium home in Abergavenny failed to inspire Welsh League champions Monmouth Town to an opening-day win.

However county rivals Goytre are the season's first Division One table-toppers thanks to a handsome away success while there were victories in the second tier for Aberbargoed Buds plus Lliswerry, Newport Civil Service and Treowen Stars in the lower level.

Monmouth hosted last season's Division Two title winners, Cardiff Metropolitan University, at the former HQ of now-defunct Abergavenny Thursdays.

Returning to The Kingfishers' dug-out for a second stint in charge was Adrian 'Smudger' Smith, who gave first league starts to former Birmingham City professional Adam Newbury in midfield and ex-Cwmbran Celtic ace Chris Ham in a wide, forward role.

Smith was delighted to watch on as his side took a 13th-minute lead through a Nick Harry penalty, awarded after Elliott Ford has been fouled by CMU defender Matt Hudson, with visiting skipper Bradley Wooldridge soon heading a Ham effort off the line.

Harry also headed a half chance over - only for the students to draw level on 33 minutes when a home defensive wall acted like a sieve at a 20-yard free kick to enable Elliot Scotcher's low shot to beat diving goalkeeper Keiron Blackburn.

Before the break, Ford shot wide and Harry had a goal-bound effort well saved by Will Fuller, who continued to be the far busier goalkeeper throughout the second period - although team-mate Emlyn Lewis did strike Monmouth's crossbar with a header.

Monmouth missed the better of the goal chances and probably did enough to earn the three points. However the students look likely to win more than they will lose, so a point against decent opposition should never be too much of a disappointment.

On Wednesday, Monmouth travel to face county rivals Goytre, who were in fine scoring form at AFC Porth. Matthew Prosser (2), Jordan Harding and Alex Evans were on target in 4-0 triumph, although there was a downside because of an injury to skipper Callum Miles.

In Division Two, Jacob Cross' first goal for Aberbargoed as early as the ninth minute was enough to secure his side a 1-0 win over hosts Undy Athletic, Chepstow Town were beaten 1-0 at home by Tata Steel while the five other county clubs in this section all drew.

Chepstow had Dave Livermore in charge for the first time in the dug-out following his promotion from the reserves and he watched on in pure frustration as his side missed almost a double figures of clear-cut chances.

Leo Ross also twice hit the woodwork for Chepstow, who lost Ashley Palmer to a head injury as early as the 20th minute and he is now doubtful for Wednesday's visit of Caerleon to Larkfield Ground.

At Cold Bath Road, visiting Croesyceiliog were 3-0 down some five minutes into the second period as goals from Luke Cueto (2) and Liam Head put local rivals Caerleon in control.

However league debutant Hishi Lama (2, including a penalty) and skipper Mark Morris earned Croesyceiliog a point from a highly-entertaining affair.

Caldicot Town welcomed newly-promoted Llanwern to their Jubilee Way ground, where striker Mitchell Slape fired the home side ahead in the first minute.

But a 46th-minute leveller from central defender Michael Bishop earned parity at 1-1, with Llanwern now hoping some or most of their seven unavailable players will soon return.

Like Llanwern, Risca have also returned to the second tier and began at the new level by finishing 2-2 with visiting Penrhwiwceiber Rangers at their Ty-Isaf Park HQ.

Following a goal-less first 45 minutes, the visitors took the lead through Dean Brown only for Risca to equalise when Dave Hurley's low cross was sliced into his own net by Rangers defender Ross Leeke.

His day got even worse some five minutes later when he was sent off after fouling Risca's Tony Wallis while the striker was in the act of shooting.

Wallis fired home the resulting spot-kick to put his side 2-1 up with some 25 minutes remaining, although that was enough time left for 10-man Rangers to level matters via a penalty of their own - awarded when Risca central defender and skipper Chris Thomas conceded for Dean Brown to score from 12 yards.

In Division Three, relegated Newport YMCA travelled to face Treowen Stars and looked to have done more than enough to give secured a point.

However a last minute goal from Jack Evans spelt heartache for YMCA and a 3-2 success for Treowen, whose other efforts came from Ricky Amos and Craig Price with Nathan Hardwick and Joe Bidgood scoring for the visitors

Lliswerry also scored three times to clinch a first-day home victory while also gaining maximum points, as well as keeping a clean-sheet against visiting opposition, were Newport Civil Service.

On the mark for Lliswerry on their 3G pitch at Spytty Park against Treharris Athletic Western was striker Josh Brown, who grabbed a well-taken hat-trick after the interval with Lewis Sweetland (penalty) and Dave Mellon being the NCS' scorers in a well-deserved 2-0 win over Caerau at Shannon Close in Bettws.

Last season was Tredegar's best for quite a number of years in finishing seventh of 19 and given the fact they were under strength due to injuries and unavailability, they'll be fairly pleased with a 2-2 home draw against Cardiff Grange Harlequins.

Daniel Battle was Tredegar's goal scoring hero with a couple of well-taken efforts while Tredegar also had another couple of efforts disallowed.
