## FROM THE CLUB CHAIRMAN

**Hello everyone and a  
warm welcome to  
Jubilee way, the  
home of Caldicot  
Town AFC**

Welcome to the officials and supporters of our visitors today, Tredegar Town, for this Ardal south east fixture.

We have a new management team in place as we enter into a new season.

With somewhat disappointing start with an away draw at Abergavenny and a loss at Cwmbran Town but we hit top form with a resounding win at Albion Rovers in the cup.

**This is our first  
Ardal league home  
game of the season .**

As our squad returns to full strength we hope we can improve our league form with our first home game of the season plus our first home evening fixture this coming Tuesday evening against Goytre

The club bar is open for today's game.

Polite reminder that alcohol is not permitted in the pitch area.

I would like to thank the committee and everyone who supports the club.

Archie McKay,  
Chairman CTAFC.

A word from our manager on the season so far

# Manager's Notes

We're delighted to welcome you to Jubilee Way for our first home game of the season as we host Tredegar Town.

The squad is in a strong place after a positive pre-season. The lads returned in excellent condition and have shown a real drive to succeed. We've retained the majority of last season's players, added quality from within – including Giancarlo Gabbiadini – and welcomed back Jake Davies and Cole Greenhaf after absence and injury respectively. We've also strengthened with the additions of Chris Parry and Mike Rimmer.

With the retirement of 'Shaz', we've appointed Samuel Swann as our new vice-captain. Sam returns to the squad today after recovering from a bad challenge and heavy landing on his shoulder in our last league game.

We're still developing as a group, adapting to fresh ideas and a few tweaks from last season, and the lads have responded brilliantly in both training and recent matches.

After an 11-0 cup win over Albion Rovers, we backed it up with a 4-1 friendly victory against P.I.L.C.S, showing real progress in the key areas we focused on at half-time.

After a less-than-ideal start to the league campaign, we're determined to put things right today and get our first three points. Your support will be invaluable all season – let's make it count.

# CLUB HISTORY

“Football for everyone”

## C

aldicot Town AFC was founded in 1953. With voluntary help from the community, the necessary funds were raised, and after much hard work, two pitches were laid at King

George V playing fields. Initially a green wooden hut was erected to serve as changing rooms with a small shower area.

The club participated in the East Gwent League before forming a second team in 1963, taking their place in the East Gwent 2nd Division.

Throughout the 60's the club was successful in winning both the East Gwent league division 1 and 2 along with cup success in the Watkins Shield, the Benevolent Cup, Gill Cup and the Argus Shield. In 1966 the senior side joined the Monmouthshire Senior League Division, now known as the Gwent County League.

During the late 70's and early 80's the club won the Gwent Senior League Division 1, on two occasions, as well as winning the Senior Cup (more recently in 2007/08 & 2012/13 seasons) and Amateur Cup. In December 1975, the original Clubhouse was built in Jubilee Way.

This incorporated a small bar, a lounge, changing rooms and shower facilities. Since then, the clubhouse has been modified and upgraded and now boasts four players changing rooms, a referee's room, shower and toilet facilities, a large function room, a new lounge, and outside patio areas complete with bench seats.

1979 saw the formation of Caldicot Town Junior Section. This gave local boys the opportunity to play competitive football at both Local and County Level. It is also a source of future players for the senior teams. In 1986 the club achieved its ambition of election into the Welsh Football League. A lot of hard work by many people had to be done to achieve this goal. The ground had to be enclosed with a high perimeter fence and a barrier had to put up around the pitch. Also, the changing facilities had to reach the high standards set by the League.

In the early 90's, continuous ground improvements saw a floodlights erected as well as a covered stand. In more recent times, the club has added seats to its original stand before adding a brand-new stand in 2017 to bring the Jubilee Way ground up to the required 250 covered seating criteria.

Since season 2020/21, Caldicot found themselves in a brand-new pyramid system run by the FAW. Caldicot sat in Tier 3 which will be known as the "Ardal Southern league East". The Reserves team will play within this structure whilst the Third Team will maintain its place in the East Gwent division.

Caldicot is a community club where inclusion and diversity are key principles. Apart from Senior Men's, Youth and Junior teams, Caldicot also have a successful Ladies team that have grown from strength to strength in the past few years and will be competing in the Welsh Women League.

# TODAY'S OPPONENTS

Tredegar Town AFC was formed in 1983. The team changed to over 40 years ago in 1968 by its present life president Cliff Bethel to senior level football initially provide a recreation for those young men who preferred playing association football to Rugby Union, the team was originally known as the Rhyd Boys Club and was known throughout Wales for sending players to represent Wales at school boy and Boys Club of Wales level.

## TREDEGAR TOWN

With the introduction of the Welsh League Pyramid of non-league clubs Tredegar gained a place in the Gwent County FA League and played their games at the Recreation Ground. The team rose from Division 3 to Division 2 then to the top division, then in season 1997–98 they won the Gwent County League and applied to the Welsh League for membership and joined the Welsh football league in season 1998–99.

After one season they finished runners up in the league and gained promotion to Welsh Football League Division Two in 2000–01 and remained in this division until they were relegated at the end of the 2009–10 season.

**THANK YOU ON BEHALF OF THE COMMITTEE**

The FAW Fair Play Code aims to raise the profile of the Fair Play message by inspiring players, clubs, officials, and supporters to maintain good on-field discipline including abiding by the Laws of the Game, respecting opponents, referees and promoting the interests of football.

To encourage good behaviour, the FAW will periodically publish Disciplinary Tables for each of the Directly Affiliated Leagues via a dedicated page on the FAW website. Those topping each table at the end of the season are awarded a Fair Play Award and a prize of £1000 to be spent on improving facilities at your club.

Previous winners of the Award have invested the money on an upgrade to dressing rooms, new equipment such as balls, bibs, kit and improving the pitch. The FAW Off the Pitch campaign is also represented here today and aims to educate all our stakeholders including clubs and players with regards best practice when using social media.

Off the Pitch is also here to remind stakeholders how comments made via social media can reflect on their club or competition that they participate in and therefore, offers advice to players and club officials such as treating others with respect. Be in the right state of mind when posting and to generally act responsibly when using all forms of social media.

The Off the Pitch campaign is unique amongst National Associations within Europe and has been used as evidence of best practice with regards promoting the positive usage of social media by UEFA.

The FAW social media team look forward to continuing to work together with all its stakeholders over the coming seasons. For more information on the FAW Fair Play Award and Off the Pitch initiatives, please visit the Discipline section of the FAW website:
